FDD Abstract of [REDACTED]

INVESTMENT PLAN OF THE WISMAR SHIPYARD

(18pp; English - German; 1951 )

[REDACTED] 25X1X

This document consists of the five following parts:

A. Some information, in English, on the organization of shipyards established prior to and after 1945 in the Soviet Zone. The yards belonging to the VWV (Federation of People-Owned Shipyards) and the HSF (People-Owned Shipyards for Ocean-Going Ship Construction) are listed.

B. The Structural Investment Plans for 1952 through 1955 for the Wismar Shipyard are given in English, in tabular form. The final sums planned are, in Deutsche marks : 27,059,000 for 1952; 22,650,000 for 1953; 17,650,000 for 1954; 4,229,000 for 1955.

C. The balance sheet of the 1950 - 1951 investment plan of the Wismar Shipyard, in English, shows actual expense in cash as 15,976,000 Deutsche marks and a balance of 24,000 Deutsche marks in the German Investment Bank.

D. A form, in German, dated 26 January 1951, of the GDR Planning Commission summarizing the tabular listing in B above. The amount intended for investment in 1951 is given as 29,045,000 Deutsche marks.

E. A sketch of the Wismar Shipyard and a complete legend in English.
